- Enlist help (professional if necessary) if immediately required to safeguard and protect your boat and equipment.
- Try to agree a realistic charge or fee if a tow is required before acceptance.
- Retain and look after all broken/torn/damaged items for inspection.

Damaged by a Third Party

- If racing, protest the Third Party if they did not accept a penalty. Obtain witness(es) statements.
- Obtain details of boat type/class/number/name/club and any witness(es) details in addition to the name(s) and address(es) of the helm and boat owner.
- Road Accidents - obtain details of the driver, vehicle and insurer and any witness(es), and/or call the Police to the scene.
- If possible write down all the details and make a sketch of the site.

Damage to Third Parties

- If a Third Party wishes to hold you liable for damage, provide them with our details, your name, policy number and boat details. You should acknowledge any correspondence and pass it on to us immediately.
- Do not make any admission of liability and do not make any offer of payment.

Theft/Vandalism

- Any theft or malicious damage should be reported to the Police promptly.
- Keep a note of the Police Crime Reference Number.
- We will also need the serial numbers of any engines, tenders etc.
- Notify your club and local harbour master with full details of the theft/vandalism.
